

## Richard Hanson's Give My Regards to Broadway Fall 2019 Theatre Tour

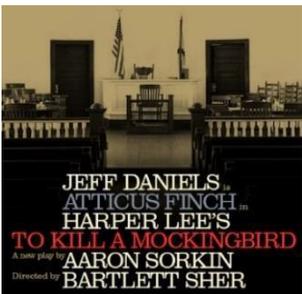

Group 1: Oct 8-14

Group 2: Oct 15-21

Take your seat for four of Broadway's best new shows, including...

Set in Montmartre Quarter of Paris, France at the turn of the century, a world of indulgent beauty and unparalleled extravagance, of bohemians and aristocrats, of boulevardiers and mademoiselles, *Moulin Rouge! The Musical* brings Baz Luhrman's revolutionary film to life on stage in a theatrical celebration of *Truth, Beauty, Freedom and Love!*

Harper Lee's Pulitzer prize-winning American classic *To Kill a Mockingbird* comes to Broadway in a new adaptation by Aaron Sorkin directed by Bartlett Sher and starring Jeff Daniels as Atticus Finch. Published during the Civil Rights movement, the novel struck a nerve in this country. 58 years later, *To Kill A Mockingbird* is not only still relevant, it's the hottest ticket on Broadway.

*Broadway's "To Kill a Mockingbird is here and Jeff Daniels soars as Atticus Finch."* Peter Marks, *The Washington Post*

**Plus** two additional shows to be selected by Professor Hanson. The fall theatre season will bring a host of new shows to The Great White Way. More details on show selections will be coming soon.

**Stay 6 nights at the historic Warwick Hotel,** built in 1926 by William Randolph Hearst for the love of his life, actress Marion Davies.

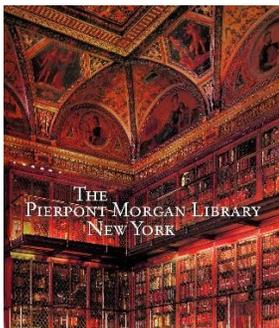

The hotel is steps away from Rockefeller Plaza, Central Park, The Museum of Modern Art, Broadway theatres and Fifth Avenue shopping. The perfect location...

*Come on along and listen to the Lullaby of Broadway!*

### Visit classic New York landmarks...

Take in the view from the **Empire State Building**, New York's iconic 102 story Art Deco skyscraper, now the 5th tallest in the U.S. and featured in films such as *King Kong*, *An Affair To Remember*, *Sleepless in Seattle* and more. After descending from the Observation Deck, we'll enjoy lunch at the stylish **State Grill and Bar** on the first floor, featuring Art Deco artwork and classic American fare.

Learn about J. P. Morgan, one of the most colorful figures in New York's history at the opulent **Pierpont Morgan Library**, widely recognized as one of the finest treasure troves of priceless works from the realms of art, literature, music and history including the Gutenberg Bible, musical manuscripts of Mozart, Chopin and Brahms, a letter from Elizabeth I and more. It came into being in the 1890s as the private collection of the American banker John Pierpont Morgan.

### Explore New York's newest gathering places....

Discover **Hudson Yards** - New York's newest development featuring unique public art spaces and innovative engineering and design concepts. Experience **the Vessel** created by Thomas Heatherwick, a monument meant to be climbed and explored. Comprised of 154 intricately interconnecting flights of stairs and 80 landings, the centerpiece will literally lift up the public. This larger-than-life art piece will be New York City's next public landmark.

Stroll through **The High Line**, a 1.45-mile-long elevated linear park, greenway and rail trail created on a former New York Central Railroad spur on the west side of Manhattan, featuring innovative public art and gardens. Explore the **Chelsea Market** and enjoy lunch and the view at the elegant new **RH Rooftop Restaurant** in the Meatpacking District. Complete the afternoon with a visit to the nearby **Whitney Museum of American Art**.

### Dine in special places...

Dine in style with your fellow travelers each day. Our tour includes two lunches, a pre-theatre dinner and a farewell dinner at memorable New York restaurants, including **Remi's** just steps from our hotel where chef Marco Delvecchio serves up the delicious cuisine of Venice for our farewell dinner.
